Dillon Davidson expressed concerns about not having the equipment needed to take care of the streets, due to the fact he received a call to clear snow, from a street located in the Indian Pointe Subdivision, during the past snowstorm. Mark Marsee responded that the town's street crews were out caring for the streets and that high winds were a big problem for all road crews, to keep streets/roads cleared. He also stated that they may need to look into obtaining additional equipment in the future, but the previous snowstorm was an exception and not normal weather conditions, for the area.

A motion was made by Drew Olman to adjourn the meeting. Mark Marsee seconded that motion. All Ayes.
