Ernest Guy (Fire & Ice Motorcycle Club): Mr. Guy explained they were a motorcycle club that likes to work with and give back to the community. The club would like to hold a festival at the park with hopes of bringing the community together. The Town Board said they felt that would be a great idea and suggested following up with the Park Board about specifics.

Mary Lou Schwipps & Harris Long (Samaritans Hope Chest): Mrs. Schwipps spoke about the roofing issues they were having. Mr. Long then stated that conversations were had, just before the meeting, with the owner of the PC Shop and there was a plan to work together on the roof issues.

Harris Long also brought up that Rumpke had not picked up garbage the last 2 weeks and why should he call Rumpke when he pays the town. It was explained that the town is only a pass through for the

payment. The service is being provided by Rumpke, so they would need to be called directly. The Town will however document the complaint.

There were no other comments from the public.

As there was no further business to be conducted by the Town Council, Drew Olman made a motion to adjourn and Mark Marsee seconded that motion. The next regular meeting of the Town Council is scheduled to be held February 12th, 2024 at 6:30 pm.
